

The City of Duncan is a Charter City. It operates under a City Council-City Manager form of government. The Council consists of a Mayor and four Council Members, all elected. The Council hires a City Manager. The Council meets every second and fourth Tuesday of the month in the council chambers located at 18 S. 7th Street, and meetings are televised locally. Citizens are encouraged to attend council meetings, and offered the opportunity to address the council at each meeting.

Our city officials strive to be accessible, approachable and responsive to all citizens. Our goal is to have leadership that creates and supports a progressive city infrastructure.

A Message from Mayor Gene Brown

I have lived in Duncan for over forty years. Since my first visit to Duncan so many years ago, I was, and still am, impressed with the friendliness of the people and the quality of life this City has to offer.

Duncan continues to grow and progress forward by expanding educational opportunities to equip youth and adults with great school systems and the necessary tools needed to succeed well into the future.

The people of the City of Duncan in Stephens County, Oklahoma are what make Duncan truly a great place to be. When faced with adversity, be it a natural disaster or a family facing hard times, the people of this great city reach out and help with the same pioneer spirit upon which Oklahoma was developed. In Duncan, we enjoy an incredibly diverse citizenry of individuals who are working together to realize our dreams and keeping Duncan a great place to work and raise a family.

It shows in the quality of life we have in the City of Duncan - The Crapemyrtle Capital of Oklahoma.
