

Mission Statement

The mission of the Duncan Chamber of Commerce and Industry is to provide leadership in improving the business climate and quality of life by mobilizing community resources.

The Chamber is a voluntary membership-based organization of businesses, organizations, professionals, and individuals who have joined together to engage in projects that create a positive economic impact to the community. The Chamber is governed by a voluntary Board of Directors elected from its membership. Many other members serve on Chamber committees and task forces to provide leadership in accomplishing goals set forth in the Program of Work.

The Chamber works closely with Duncan Area Economic Development Foundation, The City of Duncan elected officials and staff, The Duncan Convention & Visitors Bureau, The Stephens County Fairgrounds & Expo Center, and Main Street Duncan to actively promote our community.
