

RED RIVER TECHNOLOGY CENTER

www.rrtc.edu • 3300 W. Bois D' Arc • 580-255-2903 • 1-888-607-2446

As a part of the Oklahoma CareerTech system, Red River Technology Center continually strives to stay on the cutting edge of technology education and prepares Oklahomans to succeed in the workplace.

Red River currently offers 14 daytime programs, over 40 short-term programs and has recently added over 250 instructor-led on-line courses to its schedule.

By continuing to build on the strength of its past, Red River Technology Center will continue to serve its communities and meet the challenges of the future.
